

## Infrared Remote control codes for

### The Gryphon Scorpio

The remote control uses the Philips RC-5 standard for infra red communication.

The following **RC-5, system 20** codes are used for the Gryphon Scorpio:

PLAY	53
PAUSE	48
STOP	54
PREV.	33
NEXT	32
Fast Reverse	50
Fast Forward	52
OPEN/CLOSE	45
REPEAT	29
TIME	11
On/Off toggle	12
Display -	125
Display +	122

The Scorpio remote control can also send remote codes for the Atilla amplifier if pressing the "AMP" button in combination with the designated buttons.
